From and after January 1, 1984, the maximum annual assessment may be increased by more than 20% only by the vote or written consent of 51% of the then property owners. The Board of Directors of the Association may fix the annual assessments at an amount not in excess of the maximum assessment then permitted.

5. Special Assessments.

In addition to the annual assessments authorized above, Class A members only may levy in any assessment year, which shall be the same as a calendar year, commencing on January 1, and running through December 31, a special assessment applicable for that year only for the purpose of defraying in whole or in part the cost of any property taxes, construction, reconstruction, repair or replacement of structures, shrubbery, trees, etc. on common lands, uses and easement areas or in furtherance of the exercise of the purpose of the Association, provided, however that any such special assessment shall be made in accordance with the By-Laws of the Association.

6. Levy of Assessments, Notice and Payment.

A. The Association shall meet and determine the amount of assessments for the upcoming year no later than November 1 of the year preceding the year in which the assessments are to be levied.

B. Notice of the amount of the assessment shall be mailed by the Association to each individual lot owner by

certified mail, return receipt requested, no later than December 1 of that preceding year and such notice shall state as follows:

1. The name of the individual lot owner.
2. The amount of the assessment.
3. Whether or not the assessment has increased, decreased or remained the same from the previous year.
4. That the payment of the assessment is due on or before January 1 of the upcoming year.

C. All such assessments shall be mailed by the Association on or before December 1 of the year prior to the due date of payment. Failure of the Association to mail the assessments on or before December 1 shall in no way affect the due date of January 1 of the payment of the assessment.

D. All sums levied as assessments not paid within ten (10) days of January 1 shall bear interest at the maximum legal rate. Such interest shall commence running on the tenth day after said sums are due and payable and shall continue to run until paid. Any partial payments shall be credited first to interest and then to the principal amount of the assessment.

7. Service Charges.

The Association may fix a service charge for delinquent payment of assessments.

8. Sale or Transfer of Interest.

The sale or transfer of title of any property shall not affect in any manner the lien of unpaid assessments; provided, however that the sale or transfer of property pursuant to mortgage foreclosure or sale or any proceedings in lieu thereof may, at the option of the transferee extinguish the lien of such assessments which became due prior to such sale or transfer. No sale or transfer shall relieve such individual lot or lot owner from liability for any assessment thereafter becoming due or from the lien thereof. In any voluntary conveyance, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of such voluntary conveyance without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee

therefor. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of the unpaid assessment against the property, and such grantee shall not be liable for nor shall the property be conveyed subject to a lien for any unpaid assessments in excess of that amount. The grantee shall be liable for all assessments becoming due after the date of such transfer.

9. Association Bidding at Foreclosure Sale.

The Association shall have the right to bid on any property in Los Robles Green at foreclosure sale thereof and to acquire and hold, lease, mortgage, and convey the same.

IX.

INSURANCE

1. Liability Insurance.

A. The Association shall purchase a policy or policies of general liability insurance insuring the Association from liability to anyone for injury to person or property occurring upon common lands or improvements located upon common lands in an adequate amount determined by the Association.

B. Any and all policies purchased by the Association shall be for the use and benefit of the Association and the individual lot owner's interest in common lands and improvements on common lands. The Association shall not purchase or maintain any insurance for the specific and exclusive benefit of any individual lot owner other than as the interest of that lot owner may exist in common lands and improvements on common lands.

C. Any funds paid to the Association from insurance companies under policies purchased by the Association shall be held for the benefit of the Association on behalf of the individual lot owners and their interests in common lands and structures and improvements thereon, and mortgagees of the Association in and to the common lands. Such policy or policies shall provide that all proceeds covering property losses occurring on common land shall be paid to the Association for the benefit of both the Association, the individual lot owners and the mortgagees.

2. Reconstruction or Repair After Casualty Loss.

A. If any damage to common land or improvements or structures on common lands which result in the payment of insurance proceeds to the Association, then and in that event, the following provision shall apply:

B. Damaged or destroyed common elements shall be repaired or replaced unless the Association is dissolved or terminated according to law or the terms of these covenants.

C. Any repair, restoration, or reconstruction shall be substantially in accordance with the plans and specifications of the original building, or as the building was last constructed, or according to plans and specifications approved by the Architectural Control Committee.

X.

CONSTRUCTION, ENFORCEMENT, AMENDMENT

1. Enforcement of Covenants.

Each individual lot owner shall be governed by and shall comply with the terms of these covenants, the articles and by-laws of the Association, and any rules and regulations duly adopted by the Association. Upon failure of a property owner to so comply, the Association or other property owners or other individual lot owners are hereby specifically given the right to enforce these covenants in any court of competent jurisdiction. In any such proceedings, the prevailing party shall be entitled to recover its costs and a reasonable attorney's fee.

The failure of the Association or any individual lot owner to enforce these covenants, rules or regulations, shall not be deemed a waiver by the Association or by that individual lot owner of his or her right to do so.

2. Amendments to Covenants.

Except as otherwise specifically provided for herein, these covenants may be amended as follows:

A. Notice of any proposed amendment shall be given by Developer in writing by registered mail, return receipt requested, to each individual lot owner no less than 30 days prior to the meeting at which such amendment will be considered.

OR1060PG 900

Notice as above shall also be sent to all Class C members when any change or amendment to these covenants is to be considered.

B. At any meeting at which an amendment to these covenants is to be considered, such amendment shall become effective only upon the occurrence of the following:

(2) Said proposed amendment is approved by an affirmative vote of not less than 80% of the individual lot owners.

C. Any amendment approved in accordance with the above shall be recorded in the public records of Leon County and shall refer back to the official record book and page number at which these original covenants are recorded.

D. Notwithstanding any of the above provisions, no amendment shall be adopted to these covenants which would result in nonuniform treatment of any property owner or group of property owners without their express consent. No amendment shall change or increase the percentage of any individual lot owner's contribution to assessments. All individual lot owners shall pay the same uniform assessment.

3. Termination of These Covenants.

These covenants may be terminated under the following terms, conditions and procedures:

A. In no event sooner than 20 years from the date of recordation of these covenants other than as set out herein below.

B. These covenants may be terminated by the written consent of all individual lot owners and all equitable or legal lien holders, including first mortgagees or "Contract for Deed" sellers so long as all such consents are procured within a period of six consecutive weeks. All such consents must be in writing, dated, signed, and procured after notice as proved in Paragraph IX 2 A above.

C. The provisions of these covenants relating to termination shall be amended only with the consent of all individual lot owners procured within a six consecutive week period together with the consent of all lienholders of first liens on all individual lots and common lands. Any amendment relating to termination of these covenants adopted in any manner contrary to this section shall be of no force, effect or validity.

4. Development by Grantor.

No provision contained herein shall prevent the grantor, its employees, agents, contractors or subcontractors from performing such work and activities as are reasonably necessary or advisable in the construction of any of the homes on any individual lots, or any of the improvements on any of the common lands contained within the project. No provisions shall operate to prevent the grantor from maintaining such sign or signs on either any individual lot or common lands as may be necessary for the grantor to sell, lease or otherwise dispose of any individual lot.

XI.

LIMITATION OF LIABILITY OF ASSOCIATION

Notwithstanding the duties of the Association as set out herein specifically including but not limited to its duty to maintain or repair portions of the project, the Association shall not be liable to individual lot owners for injury or damage occasioned by natural events, acts of God or by third persons.

XII.

TITLES

The titles of each of the paragraphs or subdivisions of these covenants are for convenience only and shall be deemed to have no legal force and effect.

XIII.

SEVERABILITY

subsection, sentence clause, phrase or word contained in these covenants shall not affect the validity of the remaining covenants or parts thereof.

XIIII.
