ARTICLE IV Assessments

Section 1. Type of Assessments. In addition to the obligations of Owners set forth elsewhere in this Declaration, there are several types of Assessments for which Owners are liable, as follows:

- (a) Assessments for all Operating Costs.
- (b) The Association may levy additional Assessments for any purpose, including without limitation, expenditures for capital improvements for or on Common area or for reconstructing or replacing such improvements. Assessments pursuant to this paragraph shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Assessment is approved.

Section 2. Designation. The designation of Assessment type shall be made by the Association and shall be binding upon all Owners. Such designation may be made on the budgets prepared by the Association.

Section 3. Allocation of Operating Costs.

- (a) For the period until the adoption of the first annual budget, the allocation of Operating Costs shall be as set forth in the initial Budget prepaid by the Association.
- (b) Commencing on the first day of the period covered by an annual budget, and until the adoption of the next annual budget, the Operating Costs shall be allocated so that each Owner shall pay its pro-rata portion based upon a fraction, the numerator of which is one (1) and the denominator is the number of Lots in the subdivision..
- (c) In the event the Operating Costs estimate for the year is, after the actual Operating Costs for that period is known, more or less than the actual costs, then the difference shall, at the election of the Association: (i) be added or subtracted, as the case may be, to the calculation for the next ensuing year; or (ii) be immediately refunded to, or collected from, the Owners.

The Association shall have the unequivocal right to collect retroactively any cost which Assessment shall relate back to the date that the Assessment could have been made.

Section 4. General Assessments Allocation. Except as herein specified to the contrary, Assessments shall be allocated equally to each Owner.

Section 5. Special Assessment Allocation. Except as herein specified to the contrary, Special Assessments shall be made against the Owners benefiting from, or subject to, the special service or cost as specified by the Association.

Section 6. Commencement of First Assessment. Assessments shall commence, as to each Owner, on the day of the conveyance of title to an Owner. The Assessments in effect at that time shall be adjusted according to the number of months remaining in the Assessment period after

Courtesy of Stewart Title of Tallahassee, Inc. (850) 422-2960

such date. Declarant owned lots shall commence assessments when more than fifty percent (50%) of the lots have been sold or deeded away by Declarant. For that portion of the assessment representing the contribution to the reserve account, Declarant shall not commence paying that portion of the assessment until more than seventy-five percent (75%) of the lots have been sold or deeded away by Declarant.

Section 7. Initial Budgets. The initial budget prepared by Declarant is adopted as the Association budget for the period of operation until adoption of the first annual Association Budget. Thereafter, annual budgets shall be prepared and adopted by the Association.

Section 8. Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

- (a) Assessments shall be established by the adoption of a projected annual operating budget. Written notice of the amount of, and date of commencement thereof, shall be given to each Owner not less than ten (10) days in advance of the due date of the first installment thereof. Assessments shall be payable monthly or at such other less frequent times as determined by the Association.
- (b) Special Assessments against the Owners and all other fees, dues and charges, may be established by the Association, and shall be payable at such time or time(s) as the Association may determine.
- (c) The Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including a management firm, the power and authority to establish specific fees, dues or charges to be paid by Owners for any special services provided to, or for the benefit of an Owner or Homesite, for any special or personal use of

the Common Area, or to reimburse the Association for the expenses incurred in connection with that service or use. The sums so established shall be payable by the owner utilizing the service or facility as determined by the association or management firm, if any.

(d) The budget may establish and maintain a reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area.

(e) The Association may establish a working capital fund for the operation of the Association. The purpose of this fund is to assure that the Association will have cash available to meet its obligations, unforeseen expenditures, or to acquire additional property, equipment or services deemed necessary or desirable. Amounts paid into the fund are not to be considered as advance payments of regular Assessments.

(f) The Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner or Lender. Upon demand, there shall be furnished to an owner a certificate in writing setting forth whether the assessments owned by that Owner have been paid and/or the amount which is due as of any date. As to parties other than Owners who, without knowledge or error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated.

Section 9. Payment of Assessments. Each Owner, by acceptance of title to a Lot, shall be deemed to have covenanted and agreed to pay the following dues, fees, charges and Assessments:

- (a) General Assessments;
- (b) Assessments for capital improvements, emergencies, and/or non-recurring expenses.
- (c) Assessments of any kind for the creation of reasonable reserves or working capital;

Courtesy of Stewart Title of Tallahassee, Inc. (850) 422-2960

- (d) Special Assessments and charges for special services; and
- (e) Assessments and charges incurred in connection with the enforcement of any of the terms and conditions hereof, including reasonable attorney fees and costs.

Each Owner shall pay all taxes and obligations relating to its Lot which, if not paid, could become a lien against the Lot which is superior to the lien for Assessments created by this Declaration.

Section 10. Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Lot, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' (and paralegals') fees (at all levels of proceedings, collection and bankruptcy), shall be a charge and continuing lien in favor of the Association encumbering the Lot and all personal property located thereon owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records, stating the description of the Lot, name of the Owner, and the amounts due as of that date. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, charge, fee, together with interest, late fees, costs and reasonable attorneys, fees, etc. shall be the personal obligation of the person who was the Owner of the Lots at the time when the Assessment became due, as well as that persons heirs, devisees, personal representatives, successors or assigns.

Section 11. Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgages on any Lot, if the mortgage is recorded in the public records prior to the Claim of Lien and to the lien of the Declarant set forth in this Declaration. The

Courtesy of Stewart Title of Tallahassee, Inc. (850) 422-2960

lien shall not be affected by any sale or transfer of a Lot, except in the event of a sale or transfer of a Lot pursuant to a foreclosure of a bona fide first mortgage, or the lien of the Declarant, in which event, the acquirer of title, its successors and assigns, shall not be liable for Assessments encumbering the Lot or chargeable to the former owner of the Lot which became due prior to such sale or transfer. However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all owners (including such acquirer of title) as a part of the Operating Costs. Any sale or transfer pursuant to a foreclosure shall not relieve the owner from liability for, nor the Lot from the lien of, any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment there, or the enforcement of collection by means other than foreclosure.

Section 12. Acceleration. In the event of a default in the payment of any Assessment, the Association may accelerate the Assessments against that Owner for up to the next ensuing twelve (12) month period.

Section 13. Non-payment of Assessments. If any Assessment is not paid within fifteen (15) days after the due date, a late fee of \$25.00, per month, together with interest in an amount equal to 18% (not to exceed the maximum rate allowable by law), per annum, beginning from the due date until paid in full, may be levied. The association may, at any time thereafter, bring an action at law against the owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' (and paralegals) fees, at all levels of proceedings, including

Courtesy of Stewart Title of Tallahassee, Inc. (850) 422-2960

collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use, the Common Area, or abandonment of a Lot.

Section 14. Collection by Declarant. If for any reason the Association shall fail or be unable to levy or collect Assessments, then in that event, Declarant shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to the Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, which remedies, including, but not limited to, recovery of attorneys' and paralegals', fees at all levels including appeals, collections and bankruptcy, shall be deemed assigned to Declarant for such purposes.

Section 15. Rights to Pay Assessments and Receive Reimbursement. The Association, Declarant and any mortgagee of a Lot shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Lot. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due. Further, Declarant shall have the right, but not the obligation, at its sole option, to loan funds to the Association and pay items of Operating Costs on behalf of the Association. The entity advancing such sums shall be entitled to immediate reimbursement, on demand, from the Association for such amounts so paid, plus interest thereon at the W.S.J. Prime Rate determined as of the date such payment was due from Owner, plus 2% plus any costs of collection including, but not limited to, reasonable attorneys, (and paralegals') fees at all levels including appeals, collections and bankruptcy.
