18. ENFORCEMENT. Enforcement shall be by proceedings at law or in equity against person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

19. SEVERABILITY. Invalidation of any one of these covenants by judgments or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

20. VIOLATIONS. If any person shall violate or attempt to violate any of the restrictions herein, it shall be lawful for any other person or persons owning any real property which is subject to this Declaration of Restrictions to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such restrictions either to prevent him or them from so doing or to recover damages for such violations.
